

HOUSE OF HEALING

Mission Trip Planning Process

Please read the [Guatemalan Guide](#). It has been developed to show you at a glance what your Guatemalan experience might look like and requirements for traveling to Guatemala.

A Mission Team Documentation sheet has been developed to help you organize your team, plan your trip, and determine the cost of your mission trip. Access to this shared Google Sheets file will be made available to you as soon as your trip dates are “penciled in” to the House of Healing Mission schedule.

To determine available dates for your mission trip, contact the House of Healing at houseofhealingguatemala@gmail.com. Once your travel dates are confirmed, we will place you in contact with the Mission Team Coordinator to work out the specifics of your mission trip.

Airfare must be coordinated and paid for independently. We highly suggest obtaining airfare insurance for your plane ticket in the event that you or the House of Healing need to change or cancel the trip due to extenuating circumstances.

Funds for off-site lodging, side trips/excursions and spending money should be included in your mission trip payment. These funds will be exchanged into Guatemalan currency and turned over to you upon your arrival at the House of Healing. Please be aware that

the local banks are often refusing American funds. When we wire the funds there are no issues with old bills or concerns over counterfeit bills.

Mission Trip Payments can be made using Vanco, a secure online giving platform, or a check.

All cancellations must be communicated to the House of Healing by the designated team leader. We understand there are circumstances beyond your control and will do our best to accommodate you. However, there are some funds that cannot be refunded. Questions? Email us at houseofhealingguatemala@gmail.com
